Important Prerequisites:

1. The Biblical Basis of Christian Counselling (CCC 1120) is a prerequisite for all other modules. This course serves as the foundational model for the whole program and must be taken first.
2. Human Development and CC (CCC1121) can be taken concurrently with Biblical Basis (CCC1120), but you must pass Biblical Basis before you can proceed with other courses.
3. Successfully completing Biblical Basis of Christian Counselling (CCC 1120) and Excellence in Christian Counselling - Ethical and Legal Issues (CCC 2120), is a prerequisite for taking the Counselling Skills Practicum (CCC 1122).
4. Successfully completing the Counselling Skills Practicum (CCC 1122) is a prerequisite for taking the Advanced Counselling Practicum (CCC2126)
5. You can plan your studies by inter-spacing the other core modules and electives in your academic calendar as you progress (please take note of the timetable and when electives will be available).
5. Student-counsellors are welcome to take more than the required four elective modules.
